

A Sharia-Compliant Muslim City in the Heart of Texas

By **M Dowling** - February 16, 2025

Deep in the heart of Texas, just outside of Dallas, is the new community of Epic City, a totally Muslim City. Amy Mek sees it as the beginning of the end. It is a big change for Texas. That's certain.

What Is the Plan for Epic City

EPIC City is being developed by the East Plano Islamic Center (EPIC). They have acquired over 400 acres in Josephine, Texas, to build this community.

The project will feature a mosque at its center, surrounded by houses, townhomes, apartments, Muslim schools, parks, gyms, and other facilities.

Many Texans are expressing concerns about EPIC City. Some see it as creating a separate Muslim-only area, which they fear could lead to segregation.

They w  English a “no-go zone,” where non-Muslims feel unwelcome. Critics also fear that introducing Sharia law could conflict with U.S. laws and values.

On the other hand, supporters argue that EPIC City is about religious freedom. Except it's not simply a religion. It's a complete life plan.
