“The Federal Parliament has set a ceiling of 5,000 troops who will serve in support during the WEF, which will run from January 10 to 26. Some of them will be stationed directly in Davos, where the annual meeting will be held from January 16 to 20,” the [statement](#) read.

According to the statement, other servicemen will provide logistics and air force operations support throughout Switzerland. Soldiers will be authorized to **“use coercive police measures to carry out their respective tasks,”** the government said.

There will also be [snipers](#) on the roofs of most buildings, and in previous years the Swiss Police have [shot drones](#) from the sky.

The WEF predicts that soon everyone will be able to ‘rent’ anything they need under the cover of ‘sustainable development’ (SDGs) and ‘saving the planet’ (Net Zero). There is no doubt that the tiny elites who rolled out the Great Reset will own it all.

The number of participants in the forum is currently unknown. German Chancellor Olaf Scholz, Spanish Prime Minister Pedro Sanchez, Ecuadorian President Guillermo Lasso, and Colombian President Gustavo Petro will attend the Davos forum personally, according to the latest information. [Keir Starmer](#) and [Rachel Reeves](#) will also be attending.

[Zelensky](#) will also speak at the World Economic Forum’s Davos meeting alongside CNN anchors and NATO chiefs.

Only distinguished delegates were allowed to fly in and out of Davos last year due to a no-fly zone.

There has been fierce opposition to the WEF’s extremist agenda, including The Great Reset, Build Back Better, and You’ll Own Nothing and Be Happy. The WEF is now feeling the heat. In response to those who oppose its techno-tyranny, it has waged a **defensive PR campaign** recently. The World Economic Forum also recently canceled its **Twitter feed** in favour of Chinese state-run social media:
